OK, I'll keep an eye out for them on Monday.
We'll give that process a try.

Hi Teena,

How are you! Hope you are doing well!

I wanted to let you know that I talked to Megan at OFA, she is reviewing the Climate Change and GHG Emissions language. She plans to get us her comments by next Monday. I will forward those comments to you for your review/comments. Then, we send our edits to the language back to Megan and she will forward to her managers for final review.

I hope that works for you. Thanks!
